

PERCEPTION COACHING

Once we have a common vision...

Step 2 Identify Stakeholders

- Who supports the vision?
- Who benefits from the vision?
- Who contributes to the vision?
- Who is potentially effected by the vision?

Step 3 Action Steps

- What 'quick win' steps can we take to reach our vision?
- What steps would have the greatest impace to make progress toward our vision?
- Who will commit to facilitate progress?

Out of office opportunities allow us to share positive approaches by presenting and sharing materials!
